Non-Discrimination Plan (Short Form)

A. **Equal Opportunity Pledge:** Our company recognizes that all persons shall have equal opportunity in employment and apprenticeship training, and agrees to adhere to the following:

The recruitment, selection, employment, and training of apprentices during the apprenticeship shall be without discrimination because of race, creed, color, religion, national origin, age, sex, disability, veteran status, marital status, or arrest record. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, Part 30; Title 12 of the Official Compilation of Codes, Rules and Regulations of the State of New York, Part 600; and the Americans with Disabilities Act of 1990.

B. **Sexual Harassment Prevention Policy:** Our policy is that sexual harassment is **prohibited**. This policy applies to internal activity towards employees, interaction between employees and actions and treatment directed towards employees, from any person or persons at the worksite whether or not they are employees of this organization.

Equal Employment Opportunity Commission (EEOC) guidelines provide that verbal or physical conduct of a sexual nature may constitute sexual harassment when:

- Submission to such contact is made either explicitly or implicitly a term or condition of an individual's employment;
- Submission to, or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; and/or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

When an employee has a complaint of sexual harassment, the complaint should be brought promptly to the attention of his/her immediate supervisor, or to the next level of supervision. These persons have the authority and responsibility to resolve the complaint. If the complaint is not satisfactorily resolved, the employee has the right to contact the NYS Division of Human Rights and the Federal Equal Employment Opportunity Commission. The complaint will be investigated; if substantiated, prompt action will be taken to stop the harassment immediately and prevent recurrence.

If an employee is an **apprentice**, the program's apprenticeship administrator and the NYS Apprenticeship Director **must** be notified of the complaint.
