I. Funding Opportunity Description

A. Purpose

The purpose of this Employee Retention and Advancement Training (ERAT) Request for Applications (RFA) is to provide occupational skills training, commensurate with regional priorities, to incumbent workers who are currently in low and middle-skills occupations, leading to job advancement and retention.

B. Background

Building on the eight-year success of the New York State (NYS) Consolidated Funding Application (CFA) for economic development, the CFA Workforce Development Initiative (WDI) was established in 2019 to support strategic regional efforts that met businesses' short-term workforce needs, improved regional talent pipelines, expanded apprenticeships, and addressed the long-term needs of expanding industries. This investment strategy focused on emerging fields such as clean energy, health technology, and computer science, that have a growing demand for jobs. The New York State Department of Labor (NYSDOL) participated in the three (3) rounds of this initiative until it was fully phased out in June 2023. The NYSDOL programs that fell under CFA WDI will continue to be administered outside of that process, including through this solicitation.

NYSDOL is offering three (3) WDT funding opportunity programs, which will be applied for through the Statewide Financial System (SFS):

1. Employee Retention and Advancement Training (ERAT);
2. Reemployment Training Grant (RTG); and
3. Worker Readiness Training (WRT).

This ERAT Program replaces our Existing Employee Training (EET) program that fell under CFA WDI.

II. Award Information

A. Funding

Under NYSDOL's WDT programs, a total of \$25M in federal Workforce Innovation and Opportunity Act (WIOA) funding is being made available to provide occupational and/or work readiness skills training courses commensurate with regional priorities. Of the \$25M total available funding, \$5M of the funds will be dedicated to the WRT program and the remaining \$20M will be available for the RTG and ERAT programs. Funding for the RTG and ERAT programs will be available on a first-come, first-serve basis.

The ERAT Program will provide funding for training for incumbent workers of the Applicant who are currently employed in low or middle-skills occupations, as defined in the Program Services Section ([III.C.](#)) and [Section VII](#) of this RFA. Additional funding may be made available at a later date, depending on program need and the continued availability of funding. Any potential amendments to this RFA, including additional funding being made available, will be posted on NYSDOL's website and in the NYS Contract Reporter. Applications will be accepted and reviewed on an ongoing basis at any time while this funding opportunity is available. Unsuccessful Applicants have the option to modify their application and re-submit if funding and time remain.

ERAT awards may not exceed \$100,000 for Applicants with 2-50 employees; \$200,000 for Applicants with 51-100 employees; or \$300,000 for Applicants with 101 or more employees. Applications that request more than the maximum funding amount will be reviewed and scored by NYSDOL. If the application is awardable, NYSDOL will proportionately reduce the project funding at the time of award to fit within the maximum funding amount. Applications unable to remain viable with the reduced funding will not proceed to contract execution. Therefore, it is highly recommended that Applicants keep the cost and scope of applications within the maximum award amount.

Applicants must draft their funding requests as stand-alone occupational skills training. The application must not be based in whole or in part on the assumption they will receive complementary funding from other programs. The amount of funding requested of NYSDOL must be calculated based on the number of incumbent workers to be trained. There is no minimum award amount per trainee under the ERAT Program.

It is expected the Applicant will conduct an assessment of training needs of the incumbent workers prior to submitting an application. If the Applicant reduces the number of individuals to be trained at any time prior to or after an award is issued, the requested level of funding will be proportionately reduced by NYSDOL.

All awards are subject to funding availability.

B. Use of Funds

The ERAT Program funds occupational skills training for incumbent workers of the Applicant who are currently employed in low or middle-skills occupations, as defined in the Program Services Section ([III.C.](#)) and [Section VII](#) of this RFA. There is no maximum cost per trainee under this RFA; Applicants may request as much funding as necessary per trainee within the applicable maximum award amount.

Training funded through the ERAT Program is intended:

- For incumbent workers of private for-profit or not-for-profit (NFP) entities; and
- To provide occupational skills training(s) to employee(s) in low or middle-skills occupations (defined as JobZones 1, 2 or 3 as described in Sections [III.C.](#) and VII of this RFA).

1. Allowable costs under the ERAT Program include the following:

- The costs of outside vendors or in-house trainers to provide on-site or off-site classroom training.
 - Training provided by in-house staff of the Contractor may not be billed to NYSDOL at a per trainee rate. The ERAT Program will only reimburse the actual hourly wage rate (salary only, no fringe benefits) of the in-house trainer while engaged in hours of classroom training provision. Training by the in-house staff must be for a minimum of two (2) trainees per course.
 - While outside vendors can bill to the Contractor at a per trainee rate, or at an hourly, weekly, or per course rate, ERAT Program reimbursement will be based off of a budgeted per trainee rate times the actual number of attending trainees;
- Textbooks or training materials directly associated with the training;

- Distance learning fees (i.e., the fee for the training slot and software required to deliver the training program); and
- Credentialing exam fees.

Funds may be used to enlist the services of a training provider to deliver occupational skills training to incumbent workers. Fees associated with the provision of training may not be charged to the trainees served under this ERAT funding opportunity. Trainees cannot contribute to the cost of the training(s).

For Applicants also applying for RTG and/or WRT funding in addition to ERAT funds, please note that funds cannot be combined for use for the same trainees. Each group of trainees must remain separate and distinct and be trained solely under one (1) NYSDOL program.

Training may take place outside of NYS; however, trainees must work in NYS upon completion of the training. Travel costs for any trainings taking place outside of NYS must be paid by the Applicant using non-ERAT funds. The Applicant must also provide adequate justification for any training that takes place outside of NYS. Training must take place during regular business hours and trainees must be paid wages at no less than their current rate of pay while attending training. Applications wherein the employees attend training on their own time, whether voluntarily or involuntarily, will be rejected. Training can also be a distance learning course.

For occupational skills training provided by outside vendors or sub-contractors, no minimum number of trainees is required, and the cost will be reimbursed based on a per trainee cost, using the budgeted rate per trainee times the actual number of attending trainees. However, one-on-one training cannot be paid for through this RFA. For example, a single trainee cannot be trained by an in-house trainer as the sole trainee, but the RFA can pay for the tuition costs of a single trainee attending a class with other individuals who are not subject to this RFA.

Applicants not utilizing their own in-house trainers are encouraged to enter into contracts with institutions of higher education, such as community colleges, or other eligible training providers to facilitate the training of multiple individuals in high-demand occupations. Although NYSDOL encourages Applicants to utilize training providers on the Eligible Training Providers List (ETPL), available at <https://applications.labor.ny.gov/ETPL/>, this is not a requirement. In addition, NYSDOL will assist any Applicant seeking to register a proposed training program on the ETPL. For assistance, please email ETP@labor.ny.gov.

All proposed expenditures must be reasonable, necessary, and clearly related to the purposes and activities of the project as described in the Program Design ([Section V.B.2](#)). NYSDOL reserves the right to ask for justification of proposed expenditures and cost per trainee, both prior to award and during contract development.

2. Restrictions on Types of Trainings

ERAT funding will only pay for the eligible costs identified in the Use of Funds Section ([II.B.](#)) of this RFA. The following types of trainings do not constitute occupational skills training(s) for this RFA and are not allowed:

- Trainings which begin or occur prior to the contract start date. For additional details regarding the start date of trainings, please see Section VI.B (Payment);
- One-on-one training;

- Human Resources training; Basic Safety training; Sexual Harassment training; Diversity training; or Orientation training (the provision of these types of training is a normal cost of doing business);
- Stand-alone remedial training (including but not limited to “soft skills” such as communication, team development, conflict resolution, and critical thinking);
- Stand-alone training required as part of a federal, NYS or local government mandate (i.e., Occupational Safety and Health Administration (OSHA) will not be allowed as a stand-alone training but may be allowed if it is a required component of the occupational skills training);
- Training provided to independent contractors or contracted employees;
- Stand-alone Microsoft Office applications (i.e., Word, Excel, PowerPoint, etc.) and other basic office software applications (i.e., QuickBooks, Adobe, etc.). Note: This refers to stand-alone courses in individual applications; it does not refer to larger certifications such as Microsoft Office Specialist or computer applications deemed an essential component of the occupational skills training program;
- English as a Second Language (ESL) training; and
- **Any other trainings deemed inappropriate by NYSDOL**, such as training that does not result in a transferable skill, activities determined to be business consulting rather than training (i.e., coaching, reinforcement, etc.) and any other training(s) that do not meet the intent of the RFA.

If an Applicant is unsure about restricted trainings, it should consider asking specific questions before the Questions Deadline identified in [Section IV.A.](#) of this RFA and listed in the RFA Timetable ([Section IV.F.](#)).

3. Restrictions on the Use of Funds

ERAT funding will only pay for the costs listed in the Use of Funds Section ([II.B.](#)). It will not pay for any of the following items:

- Training of undocumented workers;
- Hardware (i.e., laptops/tablets) that may be required to access online or distance learning instruction;
- The acquisition, construction, or renovation of buildings or other real estate;
- The purchase of any equipment;
- The purchase of operational software not directly associated with the training (the determination of being directly associated with the training is at NYSDOL’s discretion);
- Administrative costs, direct and indirect. This RFA does not involve a sub-recipient relationship between the Applicant and NYSDOL, which makes payment of indirect costs unwarranted in this situation;
- Other employee coverage while trainee attends training;
- Support services such as childcare, transportation, lodging, and meals for the trainees;
- Any itemized transportation, lodging, and meal costs for relocated in-house or subcontracted trainers for the provision of the proposed training program based on the General Services Administration (GSA) and the Office of State Comptroller (OSC) guidance. Outside

subcontracted training providers only may factor such costs if necessary, into their overall classroom training fees;

- Advertising;
- Entertainment;
- Interest costs incurred by provider agencies;
- Costs of organized fundraising;
- Conferences, seminars, or payment of fees associated with attendance at seminars, conferences, or meetings of professional organizations;
- Start-up costs, curriculum development, and assessment costs on the part of the Applicant and/or the training provider;
- Purchase of videos; and
- Any other costs deemed inappropriate by NYSDOL and that do not meet the intent of the RFA.

C. Leveraged Funding Requirement

Per Section 680.820 of the WIOA regulations, Applicants funded under the ERAT RFA are required to pay for a portion of the costs of their training program using leveraged funds. The level at which Applicants are required to contribute is based on the Applicant's size, in terms of the number of employees, at the time of application submission. The amount the Applicant is required to contribute is at least:

- 10% for Applicants with 50 or less employees;
- 25% for Applicants with 51-100 employees; or
- 50% for Applicants with 101 or more employees.

It is important to note that the percentage that Applicants are required to contribute is based on the total project cost, not the requested amount from the ERAT RFA.

Only wages paid to trainees while participating in training and training costs (tuition paid to an outside training provider or the cost of the in-house trainer's wages while providing the hours of training) may be used toward satisfying the leveraged funding requirement.

Leveraged funding, based on the number of Applicant employees, must be indicated in the [Detailed Budget Attachment \(DBA\)](#).

Applications that do not include the required amount of leveraged funding in their budget documents will be considered non-responsive and will not be awarded.

D. Contracts

The contract start date for all contracts resulting from this solicitation may be no earlier than the date of the award letter issued by NYSDOL, and no later than six (6) months after the date of the award letter. Any training that begins or is paid for prior to the contract start date will fall outside the contract period and will be ineligible for reimbursement. Additionally, any training provided after the contract end date will fall outside the contract period and will be ineligible for reimbursement.

After NYSDOL issues an award letter, the award must go through a contract development and contract execution process and ends with the final execution of the contract. Therefore, if an Applicant chooses a contract start date that begins prior to contract execution, the Applicant will be operating at risk for any activities performed prior to the date of final execution of the contract.

Initial contracts resulting from this solicitation will be awarded for a period of up to one (1) year. Applicants must include only the training opportunities that can be reasonably accomplished within a one-year time period. All activities funded by the contract must end on or before the end date of the contract and any activities that occur after the contract end date are not eligible for reimbursement under the contract.

Once a contract is developed and formally executed, the successful Applicant will be considered a NYSDOL Contractor. Funds will be released to the Contractor on a cost reimbursable basis. This means that a Contractor must first pay the expenses and then submit a voucher to NYSDOL for reimbursement. Vouchers must be submitted to NYSDOL on the prescribed forms before payment is made. For cost reimbursements to be approved, certain records must be kept, and specific documents submitted at intervals specified by NYSDOL. Additional details on reimbursement and payment are outlined in the Payment Section ([VI.B.](#)) of this RFA.

Contracts may be renewed for one (1) additional one-year period at the discretion of NYSDOL. Contractors can provide the same training courses to different trainees or different training courses to the same trainees. At the end of the initial 12-month contract period, Contractors will be contacted by NYSDOL and asked to submit a budget for year two (2) of their program, if they plan on requesting a one-year renewal.

Please note that NYSDOL must adhere to NYS Prompt Contracting Law timeframes for executing contracts awarded to not-for-profits (NFP) entities. One of the provisions of the law allows for interest payments when contract payments are late due to untimely processing of contracts. However, if there are delays in the contract process on the part of the Contractor, Suspension of Prompt Contracting timeframe letters may be issued to render the Contractor ineligible for interest for the number of days of delay.

In addition, the United States Department of Labor (USDOL) or NYSDOL may conduct an independent evaluation of the outcomes and benefits of ERAT funding. By accepting an ERAT Program award under this RFA, the Applicant agrees to participate in any such evaluation.

E. Contracting Process

In January 2024, NYS transitioned all grantmaking activities from Grants Gateway to SFS. Applicants are required to register in SFS to enter into a contract with NYS. To register an organization, Applicants must send a complete [Grants Management Registration Form for Statewide Financial System \(SFS\) Vendors](#) and accompanying documentation where required by email to grantsreform@its.ny.gov.

NFP organizations must take the additional step of prequalifying by completing a basic profile and storing organizational documents. **Both registration and prequalification must be completed by NFP organizations prior to submitting an application.** Failure to do so will mean that their application will not be reviewed. NFP organizations will be able to submit their responses online, and once reviewed and approved by a NYS agency prequalification specialist, the NFP organization will be able to submit an application. All information is stored in a virtual, secured vault. NFP organizations must keep their information current annually, including uploading documents (i.e., 990, etc.).

For additional information on registration and prequalification, please log on to the SFS Grants Management website at <https://grantsmanagement.ny.gov/register-your-organization-sfs> (registration) or <https://grantsmanagement.ny.gov/get-prequalified> (prequalification).

For additional technical assistance with the SFS Grants Management website, please note:

- Hours of Operation: Monday through Friday, 8:00 A.M. to 4:00 P.M. NYS Time;
- Phone Number: (518) 457-7717 or (855) 233-8363 (toll free);
- Email: helpdesk@sfs.ny.gov; and
- Grants Management Website: <https://grantsmanagement.ny.gov/>.

F. NYSDOL’s Responsibilities

NYSDOL will oversee implementation of the contract(s) resulting from this RFA, including regular monitoring of implementation and performance of the contract(s).

Funding for the activities outlined in this RFA will come from funds available under WIOA and is subject to NYS and Federal legislative appropriation. NYSDOL staff will ensure accurate and timely reporting of program outcomes as well as Federal evaluation documentation as required by USDOL.

G. Applicant Requirements

By submission of an application in response to this solicitation, Applicants agree with the Minimum Requirements Section ([V.B.1.](#)) and all of the terms and conditions set forth in the attachments to this RFA.

Applicants must comply with the Combined Terms and Conditions ([CTC](#)), which will be incorporated into the Master Contract ([MC](#)) of successful Applicants. These terms and conditions are included with no sections to be filled in. The process of downloading and uploading the CTC document confirms for NYSDOL that the Applicant has received, reviewed, and accepts the content of the document.

The Applicant shall be responsible for any costs incurred by the Applicant in the application preparation, or in activities related to the review of this application.

H. Participation Requirements

1. Business Participation Opportunities for Minority and Women-owned Business Enterprises (MWBEs)

Pursuant to NYS Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules, and Regulations (NYCRR), NYSDOL is required to promote opportunities for maximum feasible participation of NYS certified Minority and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of the NYSDOL contracts.

For purposes of this solicitation, NYSDOL has determined that the Contract does not offer sufficient opportunities to set specific goals for participation by MWBEs as subcontractors, service providers, and suppliers to Applicant. NYSDOL hereby establishes an overall goal of 0% for MWBE participation, 0% for NYS certified minority-owned business enterprises (“MBE”) participation, and 0% for NYS certified women-owned business enterprises (“WBE”) participation (based on the current availability of MBEs

and WBEs). Nevertheless, Applicants are encouraged to make good faith efforts to promote and assist in the participation of MWBES on Contracts. The directory of NYS Certified MWBES can be viewed at <https://ny.newnycontracts.com/>.

Applicants are encouraged to contact the NYSDOL MWBE Administrator at 518-474-2678 or labor.sm.MWBEAdmin@labor.ny.gov to discuss methods of maximizing participation by MWBES on contracts.

2. Equal Employment Opportunity Requirements (EEO100)

An Applicant will be required to submit EEO 100 (EEO 100, MWBE-2) with its application as evidence of compliance with the foregoing.

By submission of an application in response to this solicitation, the Applicant agrees with all of the terms and conditions of the Master Contract (MC) and the Combined Terms and Conditions (CTC), specifically Section VI.J. Contractors are required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the contractor, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the contract; or (ii) employment outside NYS.

The Applicant will be required to submit a Minority and Women-Owned Business Enterprises and Equal Employment Opportunity Policy Statement (MWBE-1) to NYSDOL with its application.

If awarded a contract, Applicants shall submit a Workforce Utilization Report (EEO 101, MWBE-3) and shall require each of its subcontractors to submit a Workforce Utilization Report, in such format as shall be required by NYSDOL on a quarterly basis during the term of the contract.

Pursuant to Executive Order #6, which continues former Governor Andrew M. Cuomo's Executive Order #162 issued on January 9, 2017, Contractors and subcontractors will also be required to report the gross wages to each of their employees for the work performed by such employees on the contract utilizing the EEO 101 (MWBE-3) form on a quarterly basis.

Further, pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other NYS and Federal statutory and constitutional non-discrimination provisions, the Contractor and subcontractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, gender identity or gender expression, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the NYS Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the contract, leading to the withholding of funds, suspension or termination of the contract or such other actions or enforcement proceedings as allowed by the contract.

3. Participation Opportunities for Service-Disabled Veteran-Owned Businesses (SDVOBs)

Veteran's Services Law article 3 of the NYS Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"), thereby further integrating such businesses into NYS's economy. NYSDOL recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of NYSDOL contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in NYS, Applicants/Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this solicitation, NYSDOL determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Applicant. Nevertheless, Applicants are encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of NYS Certified SDVOBs can be viewed at <https://online.ogs.ny.gov/SDVOB/search>.

Applicants are encouraged to contact the Office of General Services' Division of Service-Disabled Veteran's Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

III. Eligibility Information

A. Applicant Eligibility

Eligible Applicants for ERAT funding include for-profit entities, including corporations, LLCs, and LLPs; and private sector NFP entities, which:

- Need occupational skills training course(s), which can be completed in one (1) year or less, in order for the employees in low and middle-skills occupations to attain or retain positions in middle-skills occupations. For this RFA, the skill level of occupations will be determined based on JobZone's list of occupations in the Occupational Information Network (O*NET). For details on the skill level of occupations, see the Program Services Section (III.C.) of this RFA;
- Have two (2) or more full-time employees or the equivalent of two (2) full-time employees throughout the duration of the contract. Principals of corporations and owners of businesses such as sole proprietors or partners in partnerships, are not considered to be employees for this eligibility requirement. Cooperative owner employees who do not serve on the board of directors are considered employees for this eligibility requirement. An Applicant is not eligible to apply if it has no employees or if the workers are independent contractors, subcontractors, or contract employees. However, if an Applicant leases its employees for payroll and tax reporting purposes, and has authority over the hiring, firing, and scheduling of workers, it is eligible for funding consideration; and
- Are in good standing with regard to the laws, rules, and regulations for: Unemployment Insurance (UI), Worker Adjustment and Retraining Notification Act (WARN), Public Work, Labor Standards, Safety and Health, NYS Department of State Division of Corporations, Workers Compensation Insurance, and Disability Insurance.

ERAT funds are separate from any other workforce development funding an Applicant may have received from NYSDOL. Applicants with existing or pending contracts with NYSDOL remain eligible to apply for funding under this ERAT RFA, but the application must not propose the same services to the same individuals as the existing or pending NYSDOL contract(s). The payments requested from awarded contracts under this RFA cannot duplicate reimbursement that is requested or received from other sources of funding. Additionally, local On-the-Job Training (OJT) funds cannot be used alongside ERAT funds.

Consultants, trade organizations, and other third-party entities are not eligible to apply for ERAT Program funds on behalf of other organizations. Trade organizations, such as labor unions and manufacturing associations, can apply for ERAT funding if they are training their own employees.

The use of a grant writer is acceptable if the Applicant, and not the grant writer, commits to implementing the proposed training program if the application is successful.

Eligible Applicants must attest to the Minimum Requirements as outlined in the Evaluation Criteria Section [\(V.B.\)](#) of this RFA.

An Applicant and its components are only eligible for one (1) award at a time under this RFA (see [Section VI.A.](#) for more information on when Applicants that have already received funding are eligible for an additional award), not one (1) per location, and are subject as a whole to the funding limitations described in this RFA. Separate operations or locations of an eligible Applicant may apply separately if they have different Federal Employer Identification Numbers (FEINs). However, NYSDOL will also have to confirm that all such branches, locations, and companies are not part of a greater whole.

B. Trainee Eligibility

Incumbent workers of the Applicant are eligible trainees under this RFA, if they are working:

- In NYS;
- In low-skills or middle-skills occupations, defined as occupations with JobZones 1, 2, or 3. Individuals in high-skills occupations (i.e., JobZones 4 and 5) are not eligible for training under this RFA. For additional information on the classification of occupations as low-skills and middle-skills with JobZones, see the Program Services Section [\(III.C.\)](#) of this RFA;
- Full-time or part-time and have a permanent, year-round attachment to the business. Temporary employees, seasonal employees, public (federal, State, county, municipal, public authority, and public benefit corporation) employees and volunteers are not eligible for training under the RFA; and
- Are employed by the Applicant for at least six (6) months prior to the start of the training or are in a cohort of trainees in which the majority (at least 51%) of the cohort has been employed by the Applicant for at least six (6) months prior to the start of the training.

The position(s) targeted for training must exist and be identified at the time the application is submitted. Trainees do not need to be NYS residents.

Trainee eligibility is based on the typical education level of an individual in low and middle-skills occupations and not the current education attainment of the trainee.

Trainees cannot be mandated to remain with the business for a set time period upon completion of the training. If a trainee leaves the business during or upon completion of the occupational skills training, the trainee cannot be mandated to reimburse the business for the cost of the training. For additional details regarding this scenario, please refer to the Payment Section ([VI.B.](#)) of this RFA.

Please note that this solicitation is federally funded, therefore all individuals assigned male at birth born on or after January 1, 1960, who will be served under this RFA, must be registered with Selective Service.

If a participant assigned male at birth is between the ages of 18 and 26, they may register online at <https://www.sss.gov/register/> and provide their registration number on the Trainee Information Form. If a participant assigned male at birth is not registered and is 26 years of age or older, they must sign an Attestation stating that their failure to register was not willful. The Trainee Information Form and the Attestation Form will be provided to each Applicant after an award is made.

A list of those who are required by law to register with Selective Service may be found online at <https://www.sss.gov/faq/#who-needs-to-register>.

C. Program Services

1. O*NET Codes, JobZones, and Skill Level of Occupations

The Occupational Information Network (O*NET), found online at <http://www.onetonline.org/>, is an interactive application for exploring and searching occupations and their distinguishing key features. O*NET provides a universal classification of more than 900 occupations with key features required by workers, such as: tasks performed, knowledge, abilities, skills, typical education, and work experience. O*NET also provides information on wages and employment prospects of each occupation. O*NET is developed under the sponsorship of the USDOL’s Employment and Training Administration (ETA). For further information regarding O*NET, please refer to [Section VII](#) of this RFA.

Applicants must utilize O*NET to identify middle-skills positions as targeted by this funding opportunity. Five (5) JobZones from O*NET help identify low, middle or high-skills occupations based on the levels of education and training connected to occupations. This information is summarized in Table 1. Detailed information about the JobZones may be found at https://www.onetonline.org/help/online/zones/?_sm_au=iVV8kWZnSq4MRMWj.

Table 1: Skill level of occupation based on JobZones in O*Net and eligible trainees under this RFA

Skill Level of Occupation	JobZone Based on O*NET	Preparation Needed to Work in the Occupation	Eligible Trainee under this RFA
Low skills	1 and 2	Some, little or no preparation needed (typically requires high school education or less)	Yes

Middle skills	3	Medium preparation required (typically requires more than high school education, training in vocational schools, related on-the-job experience, or an associate degree but less than a bachelor's degree)	Yes
High skills	4 and 5	Considerable to extensive preparation needed (typically requires a bachelor's degree or more than a bachelor's degree)	No

In the Master Training List ([MTL](#)), the Applicant must provide the O*NET codes of occupational titles that best match the tasks performed by trainees and the corresponding JobZone code. JobZone codes must be 1, 2, or 3.

Trainees in high-skills occupations are not eligible for training under this RFA and should not be referenced in an Applicant's application. Applications that include high-skills occupations will be considered non-responsive and will not be reviewed.

The MTL should include only the list of trainees the Applicant wants to fund with ERAT funding and not a list of all employees. Applicants are asked to submit the MTL in Excel (.xls or .xlsx) format and not in a Portable Document Format (.pdf).

The O*NET code of the employee should be based on the job duties the trainee performs. The organizational title of the employee does not need to be the same as the O*NET title.

2. Career Development and Credentials

Occupational skills training should assist in the development of a career ladder which improves a trainee's skills, often providing a credential to the trainee, while also leading to a long-term career in higher skills occupations.

Credential is defined as an attestation of qualifications or competence issued to an individual by a third party (such as an educational institution or an industry or occupational certifying organization) with the relevant authority or assumed competence to issue such a credential. A credential is not a certificate of completion for a course. Examples of credentials include:

- A secondary school diploma or its recognized equivalent; and
- Recognized postsecondary credentials which include associate and bachelor's degrees; occupational licensures; occupational certificates, including Registered Apprenticeship and Career and Technical Education educational certificates; occupational certifications; and other recognized certificates of industry/occupational skills completion sufficient to qualify for entry-level or advancement in employment.

Recognized postsecondary credentials must be awarded in recognition of an individual's attainment of measurable technical or industry/occupational skills and not the attainment of work readiness or general skills only (i.e., safety, hygiene, and basic data security).

Credentials are generally achieved for skills improvements that are crucial to talent development for businesses and are often portable and transferable across multiple industries. Stackable credentials, which are part of a sequence of credentials that can be accumulated over time, build up an individual's qualifications and help the individual to move along a career ladder to potentially higher-paying jobs.

While an Applicant can apply if the proposed training program does not provide a credential, additional points will be awarded during the scoring process to those programs that help trainees achieve credential(s) given by third-party issuers or accredited institutions.

Credential is defined in Section [VII](#) of this RFA.

3. Alignment with WIOA Regional Priorities

Applicants that align their proposed occupational skills training program with the priorities outlined in WIOA Regional Workforce Plans regarding priority industries and sector strategies will be awarded additional points in scoring. Regional Plan Modifications from 2023 may be found at <https://dol.ny.gov/workforce-development-plans>. Priority industries by region from the Regional Plans can be found on the NYSDOL Labor Market Information for Workforce Planning webpage (<https://dol.ny.gov/lmi-workforce-planning>).

4. Reporting Requirements

The Contractor must submit individual participant level data to NYSDOL. NYSDOL staff will record this data in the One-Stop Operating System (OSOS).

OSOS is NYSDOL's case management system and is used to record basic participant information, as well as to track the provision of required services. OSOS is a web-based job matching, case management, and reporting system that allows workforce professionals to effectively manage workforce development programs.

Contractors will be required to document trainee information specifically on Trainee Information Forms (TIFs). The personal information collected on the TIF is required for reporting purposes for federally funded grants, as well as by the State, and will be data entered into OSOS to report obtained employment. Personally Identifiable Information (PII) is securely stored on NYS servers, where only authorized individuals can access the necessary information and where data is protected by high-level security settings administered by the NYS Office of Information Technology Systems (ITS).

NYSDOL may also require quarterly reports on program updates, progress, and success. This may include information beyond the available data in OSOS.

V. Application Review and Selection

A. Evaluation of Applications

A complete application, including the DBA and all other required attachments, must be submitted via SFS so that NYSDOL can conduct a full and proper evaluation. Failure to answer all questions in the application will jeopardize the Applicant's potential for funding. NYSDOL will make an initial eligibility determination on each application received. Applications that do not meet NYSDOL minimum eligibility requirements will be disqualified. Applications deemed eligible will be scored based on further review

and evaluation. Application scores will consist of 65% for Program Design, 15% for Work Plan, and 20% for Program Cost. Scoring of technical merit will award points based on a “criteria met” or “criteria not met” scale. NYSDOL reserves the right to make no awards.

Applications must first meet all Minimum Requirements. Upon receipt of all required documents and confirmation of Minimum Requirement attainment, ERAT applications will be evaluated by NYSDOL staff. NYSDOL staff will score applications based on the Program Design, Work Plan, and Program Cost described in the Evaluation Criteria Section ([V.B.](#)) of this RFA.

Program outcomes based on past performance related to retention of employees after the completion of training, their attainment of credentials, and potential wage increases are considered in NYSDOL’s award determination.

B. Evaluation Criteria

The Evaluation Criteria has four (4) parts: Minimum Requirements; Program Design; Work Plan; and Program Cost. The evaluation of the application will consist of a review of each part independently.

Applications deemed eligible will be scored based on further review and evaluation. Application scores will consist of 80% on Technical Merit (65% on Program Design and 15% on Work Plan) and 20% on Program Cost.

1. Minimum Requirements

Failure to attest to and document Minimum Requirements will result in an automatic rejection of the application and scoring will not proceed. No points will be awarded for Minimum Requirements. Applicants must attest to each of the following:

- 4) The application was developed by the Applicant and all language therein is presented at the request of the Applicant. The use of a grant writer is acceptable, only if the Applicant and not the grant writer, commits to implementing the training listed in the application, if the application is successful;
- 5) Applicant agrees to submit reports to NYSDOL on an as needed basis for the purposes of meeting federal and NYS reporting requirements and understands such reporting may include personally identifiable information related to both the Applicant and the Trainee;
- 6) The application was developed by the Applicant after it conducted an assessment of its training needs of employees in low and middle-skills occupations;

- 7) The trainees targeted under this application are incumbent workers of the business, not independent contractors, or contract employees;
- 8) Training will take place on company time and trainees will be paid wages at no less than their normal rate of pay while they attend training;

3. Work Plan – 15 points

A total of 15 points are available in scoring the Work Plan part of the application.

In the Work Plan (WPA), the Applicant will define the objectives, tasks, and performance measures that will detail the proposed plan to ensure training and service activities, as identified in the Program Design. The purpose of the Work Plan is to provide a road map and measurable criteria to ensure successful and timely implementation of the proposed program. As part of the Work Plan, Applicants can include objectives, tasks, and performance measures, including the following:

- The objectives are realistic and align with the activities as proposed in the Program Design;
- The tasks as described align with the associated objective and upon completion will attain the objective (Applicant should include critical tasks to be performed for attaining the relevant objectives and performance measures);
- The performance measures, as proposed, will measure the successful completion of the task and attainment of the relevant associated objective; and
- The performance will evaluate project effectiveness. The performance measures must be SMART: Specific, Measurable, Achievable, Relevant and Time-oriented (who will do what, how it will be counted, how often, and when the tasks and objectives will be evaluated).

Performance measures may include, but are not limited to, the measurement of how the training has influenced the competencies showing implementation of skills learned during the training; increase in wages; feedback from trainees about the training; improvement in trainees' performance evaluations; impact of training on the Applicant's business productivity; and the number of trainees attaining licensing/credential. Work Plan objectives, tasks, and performance measures should be specific to the ERAT-funded program only.

4. Program Cost – 20 Points

An Applicant may receive up to 20 points for the program cost.

Requested funding must be directly related to the program. All proposed expenditures must be reasonable, necessary, and clearly related to the purposes and activities of the services in this program. For a list of restricted use of funds, please see the Restrictions on Types of Training Section ([II.B.2.](#)) and the Restrictions on Use of Funds Section ([II.B.3.](#)) of this RFA.

Detailed Budget Attachment

Applicants must complete and submit the [DBA](#) with their application. The DBA requires specific detail for both the costs of occupational skills training course(s) (Training Costs) and the allowed non-

Personnel Costs of books or training materials directly associated with the training; software required to deliver the training (distance learning fees); or credentialing exam fees. This detail will be incorporated into the contract of successful Applicants. The DBA should only be completed for one (1) year at the time of application, regardless of whether the Applicant plans to request a renewal for a second year.

Cost Comparison Worksheet

Applicants must also complete and submit the Cost Comparison Worksheet ([CCW](#)) attachment with their application. The CCW requires that the Applicant provide cost comparison information on the proposed tuition rate from two (2) training providers other than the selected training provider, which shows that a training provider with a comparable tuition rate was selected. This information will document that the costs of the selected occupational skills training program are reasonable and will be the basis for awarding points for program cost.

The requirements of this section are applicable to all Applicants, regardless of whether the proposed training program is to be delivered in-house by the Applicant or by an outside training provider. If the Applicant does not provide the required cost comparison information, or if a competitive tuition rate was not selected, a narrative justification must be provided in order to receive points for cost. This justification will be reviewed by NYSDOL and may result in program cost points being awarded.

Examples of acceptable reasons for not providing the required cost comparison information include, but are not limited to:

- If the Applicant developed its selected training program to respond to a lack of training capacity to serve the intended population in its area;
- If the proposed training is specialized or unique and there are no other training providers that deliver the proposed training;
- If there are mitigating factors for choosing a higher cost training program, such as additional benefit being provided to the trainee by the selected training program; or
- If in-house training capability is addressing the extensive needs for a timely, more frequent, and/or more comprehensive approach to meet the needs of the industry.

Note that this is not an exhaustive list of reasons that may be considered by NYSDOL during Program Cost review. The Applicant should describe any reason(s) for not providing the required cost comparison information in as much detail as possible to allow NYSDOL reviewers to conduct an accurate Program Cost review.

Comparisons should be from training programs for like or similar occupational skills job titles. Applicants are encouraged to use the Eligible Training Provider List (ETPL) as a resource for obtaining comparison costs to their selected training program. A link to the ETPL can be found here: <https://applications.labor.ny.gov/ETPL/>.

Applications that demonstrate the reasonableness of their selected training provider's tuition rate will receive 20 points for cost. Applications that do not demonstrate their selected training program's tuition cost is reasonable will receive no points for cost. If the Applicant fails to demonstrate that costs are reasonable, and NYSDOL cannot independently document that the costs are reasonable, the Applicant may not be eligible for award, even if the Application's technical score achieves the minimum score for award.

If any information on the CCW is unclear to the reviewer, NYSDOL reserves the right to contact the Applicant for additional clarification.

If it is determined unallowable costs were included in the DBA during the Program Cost review, those costs may be removed during the award process or contract development and will not be included in the contract of the successful Applicant.

C. Method of Selection

Applications must first meet all minimum eligibility requirements outlined in the Minimum Requirements Section ([V.B.1.](#)) of this RFA.

Applications that meet all minimum eligibility requirements will proceed to the review phase, where the application will be scored for Technical Merit (worth up to 80% of the total) by NYSDOL's Program Staff, and Program Cost (worth up to 20% of the total) by NYSDOL's Finance Bureau. Scores for each portion of the evaluation will be combined and result in an Application Final Score.

A complete response to each question is crucial to ensure full points are awarded.

Applications will be reviewed in the order they are received. Each application will be scored on its individual merit and will not be compared to other applications. Eligible applications that attain an Application Final Score of 70 points or more will be awarded funding. Successful Applicants will be awarded on a continuous basis until the funds allocated to NYSDOL's WDT programs are exhausted. Eligible Applicants that fail to attain a total score of 70 points will be notified via letter and are eligible to revise their applications and reapply if sufficient time and funding remain.

If an application achieves a score that would be awarded, but the costs are not reasonable to NYSDOL or the skills are not transferable, NYSDOL reserves the right to reject the application.

NYSDOL may award a contract for any or all parts of an application and may negotiate contract terms and conditions to meet agency program requirements consistent with the RFA.

Any unallowable costs will be costs not permitted under the requirements of this RFA.

It is important to note that:

- Ineligible Applicants will be disqualified before completing a review;
- Incomplete applications will be disqualified;
- All Applicants that are determined not to be responsive or responsible will be disqualified after completing a review;
- Applications that fail to meet requirements will be disqualified; and
- NYSDOL reviews will result in a final score.

VI. Award Administration and Information

A. Award Notices

All Applicants will receive a letter informing them of the decision on their application and successful Applicants will be contacted by NYSDOL's contract development staff. If awarded, the Applicant will also be notified of the maximum amount it has been awarded.

Applicants who receive an award must be prepared to enter into contract negotiations immediately and begin trainings no later than six (6) months from the date of the award letter. NYSDOL reserves the right to rescind the award of any Applicant that is unable or unwilling to promptly engage in the contracting process or to begin conducting its trainings in accordance with the terms of the contract.

Applicants that received an award(s) under the past CFA WDI Initiative, or traditional CFA rounds, and who have completed services and expenditures, and closed out the contract(s) may apply. Applicants that received an award under the past CFA Initiative, or traditional CFA rounds with a current open contract, who have successfully served at least 75% of the planned participants and have expended at least 75% of the previously awarded funds, may apply. The Department reserves the right to request and receive prior contract participant outcome information and all due vouchering and reimbursement documentation before making awards for year one (1) and/or year two (2) funding.

Applicants not awarded are entitled to request a debriefing from NYSDOL, which may include the reason(s) for the non-award and general guidance on the part(s) of the evaluation criteria that were not met. Such debriefing shall be requested within 15 calendar days of the notice of non-award. NYSDOL will respond to the debriefing request within a reasonable amount of time.

B. Payment

Once a contract has been developed and formally executed, funds will be released on a cost reimbursement basis. A Contractor must first pay for incurred expenses and then submit a voucher to NYSDOL for reimbursement. Vouchers must be submitted to NYSDOL on the prescribed forms before payment is made. For cost reimbursements to be approved, certain records must be kept, and specific documents submitted. Contractors must provide documentation that the service was provided. This will include attendance records for each training session to document attendance or certificates of completion showing the participant completed all required elements of the training. Attendance sheets must include the Course Name, Training Provider, Name of the Trainee, Signature of the Trainee, Signature of the Trainer, and Date and Hours of Training. If the training occurs during an entire day, sign-in and sign-out hours must also be included.

Expenditure reimbursement is based on individual participant attendance at occupational skills trainings. If the trainees attend up to and including 50% of the course, the reimbursement will be at the level of attendance achieved (i.e., individual trainee attends 30% of the course sessions, the reimbursement will be 30% of the training cost). For trainee attendance of 51% and above, the reimbursement will be for 100% of the training cost. While outside trainers may bill Contractors at an hourly, daily, weekly, or course rate, reimbursement will be made at a budgeted per trainee rate per course times the actual number of trainees, adjusted for attendance as explained above.

Please be advised that trainings may not begin until after an award is made. This includes the completion of application reviews, due diligence being confirmed, awardees determined, and award letters being issued. The start date for all contracts resulting from this solicitation may be no earlier than the date of the award letter issued by NYSDOL. Any training that begins or is paid for prior to the date of the award letter will fall outside the contract period and be ineligible for reimbursement. Further, all activities funded by the contract must end on or before the end date of the contract and any activities that occur after the end date of the contract will not be eligible for reimbursement.

NFP organizations funded under the ERAT Program are eligible for a cash advance of their award, up to 25% of total contract value, upon contract execution, at the sole discretion of NYSDOL and subject to the availability of funds appropriated and available for contracts entered into pursuant to this solicitation.

Electronic Payments – Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner’s sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with ordinary NYS procedures and practices. The Contractor shall comply with the NYS Comptroller’s procedures to authorize electronic payments. Authorization forms are available at the NYS Comptrollers website at www.osc.state.ny.us/epay/index.htm, by email at helpdesk@sfs.ny.gov, or by telephone at 855-233-8363. The Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract if it does not comply with the NYS Comptroller’s electronic payment procedures, except where the Commissioner has expressly authorized payment by paper check as set forth above.

C. General Requirements

All applications and accompanying documentation will become the property of NYS and will not be returned. The content of each Applicant's application will be held in strict confidence during the evaluation process, and no details of the application will be discussed outside of the evaluation process. The successful Applicant's applications and portions of the RFA deemed applicable by NYSDOL will be made part of the contract. Therefore, an official authorized to commit the company to a contract must sign the application.

D. Buy American Requirements
