

# DEPARTMENT OF LABOR'S EXPLORATORIUM

**Senate Majority Leader Andrea Stewart-Cousins, Speaker Carl Heastie and Commissioner Roberta Reardon** invite you and your staff to the **Department of Labor's Exploratorium**. This partnership is an opportunity for legislative staff to learn about the services and tools the Department of Labor has available to your constituents.

## Services and Resources to Explore:

- **The Future Is Now:** On site Virtual Reality (VR) head set experience on workforce exploration
- **Updated Unemployment Insurance:** UI system improvement and modernization complete with award-winning technology upgrades
- **Protecting Workers' Rights:** Committed to safeguarding New York State's workforce, including youth workers
- **Keeping New Yorkers Safe:** The Department of Labor's Worker Protection Bureau contains five specialized divisions devoted to the safety and health of all New Yorkers
- **Workforce Development:** Business consultations, virtual and in-person job opportunities, services to support New York State's economic growth

***April 15th | 10:00am - 3:00pm***  
***The Well, Legislative Office Building***

*Stop by for food, networking, and complimentary headshots.*
