Count Question Resolution (CQR)

The CQR operation gave tribal, state and local governmental units the opportunity to request that the Census Bureau review their boundaries and/or housing counts to identify errors that may have occurred while processing their 2020 Census counts.

United States® Census Bureau

Count Question Resolution

- 123 Challenges submitted nationwide
- 102 challenge cases accepted and researched
  - 81 challenges were count cases
  - 21 were boundary challenge case
- Approx. 500,000 addresses were researched
- Challenge research ended on 9/30/2023

United States® Census Bureau

Count Question Resolution Errata

- Errata for completed challenges can be found on CQR page:
  - www.census.gov/about/policies/quality/corrections/cqr.html
  - 2020 Decennial Census Notes and Errata
  - Results continue to be released on flow

United States® Census Bureau

2020 Post-Census Group Quarters Review (PCGQR)

Provided tribal, state and local governmental units the opportunity to request the Census Bureau review 2020 Census population counts for group quarters facilities

United States® Census Bureau

2020 Post-Census Group Quarters Review (PCGQR)

- Stopped accepting requests June 30, 2023
- 2020 census results Errata are not published
- Results sent to the Pop Estimates program
  - Start appearing in estimates - May 2024
- You can check the status of review requests here:
  - 2020 Census Post-Census Group Quarters Review (PCGQR) Cases Received

Address Block Count List

- The Address Block Count Lists are created twice year:
  - ACS benchmark: In Spring between January and July
  - BAS benchmark: In Fall between July and January
- Created at census block level - include the Tally of Housing Units/Group Quarters that are currently in the Census Bureau Master Address File (MAF).
- Pipe delimited text file format for all the 50 states, Washington D.C. and Puerto Rico
- Posted Census Website for public use and are available for download from the Census File Transfer Protocol (FTP) site.

United States® Census Bureau

Address Block Listing Files Viewer

- An interactive map that displays summary information for each Census Block.
- This Address Count Listing Files Viewer supplement the Address Count Listing files. Include housing unit and group quarters counts, by census block.
- The map viewer also includes AREA LAND and AREA WATER in square meters
- Current Census Address Count Listing Files Viewer
