APPRENTICESHIP EXPANSION GRANT BID #AEG-4

WHAT IS THE APPRENTICESHIP EXPANSION GRANT?

The New York State Department of Labor (NYSDOL) has committed up to \$3 million to expand NYS Registered Apprenticeship (RA) by increasing employment opportunities for apprentices, including underrepresented populations. These apprentices will enter into trades in high-demand occupations. This RFA is supported by State Apprenticeship Expansion Formula (SAEF) funding from the United States Department of Labor's Employment and Training Administration. 100% of this RFA will be financed with federal funds, and no non-federal funds are being used.

USE OF FUNDS

Applicants may apply for up to \$300,000 for each award, where up to \$15,000 per apprentice is allowed to cover costs associated with training apprentices, including but not limited to:

- Related Instruction
- On-the-Job Training
 - Please note: The maximum reimbursement rate for OJT under this RFA is 50% of the wage rate of the apprentices for all businesses.
- Books
- Tools

If sufficient funding remains available, awardees may reapply after successfully registering 80% of the planned number of apprentices into their NYS RA program.

WHO IS ELIGIBLE TO APPLY FOR FUNDING?

An eligible applicant must be: a Sponsor of an active or probationary NYS RA program; a lead applicant designated by a Sponsor of an active or probationary NYS RA group program; a Signatory Employer to an active or probationary NYS RA group program; or be an applicant for a NYS RA program whose application has been received by the NYSDOL and posted on the NYSDOL website for public comment.
