A new Part 222 is added to Chapter III of title 12 NYCRR to read as follows:

Part 222 - Hauling of Aggregate Supply Construction Materials

§222.1 Definitions

For the purposes of Section 220 of the Labor Law:

- (A) "Worksite" means the area in which the improvements associated with a specific project, as defined in the construction contract and/or as well as any surrounding areas supporting that specific project. The term "worksite" also includes any location of central stockpiled materials, in this State, solely dedicated for use on a specific public work project.

- (B) "Aggregate supply construction materials" includes but is not limited to sand, gravel, stone, crushed stone, dirt, soil, millings, and fill.
