

# THE TABLES HAVE TURNED:

## USFSM'S INAUGURAL REVERSE-CAREER FAIR

**On November 8, 2018, twenty select students will break the mold of the traditional career fair.**

### Will you be there?

Career fairs, by design, place power in the hands of employers; they are the stars of the show, waiting for student talent to approach them. We believe the spotlight can be reversed.

### Let's shine the spotlight on the real stars: Students!

Applications are **now open** until September 7, 2018! Will you be one of the 20 students interviewing potential employers?

### Ready to apply?

**Email your résumé to Ben Heins for consideration:**
