B. Sexual Harassment Prevention Policy: Our policy is that sexual harassment is prohibited. This policy applies to internal activity towards employees, interaction between employees and actions and treatment directed towards employees, from any person or persons at the worksite whether or not they are employees of this organization.

• Submission to, or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; and/or
• Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

When an employee has a complaint of sexual harassment, the complaint should be brought promptly to the attention of his/her immediate supervisor, or to the next level of supervision. These persons have the authority and responsibility to resolve the complaint. If the complaint is not satisfactorily resolved, the employee has the right to contact the NYS Division of Human Rights and the Federal Equal Employment Opportunity Commission. The complaint will be investigated; if substantiated, prompt action will be taken to stop the harassment immediately and prevent recurrence.

If an employee is an apprentice, the program's apprenticeship administrator and the NYS Apprenticeship Director must be notified of the complaint.
