## Glossary

**Initial Claim** – This category includes both new and additional claims, both of which signify a new spell of unemployment.

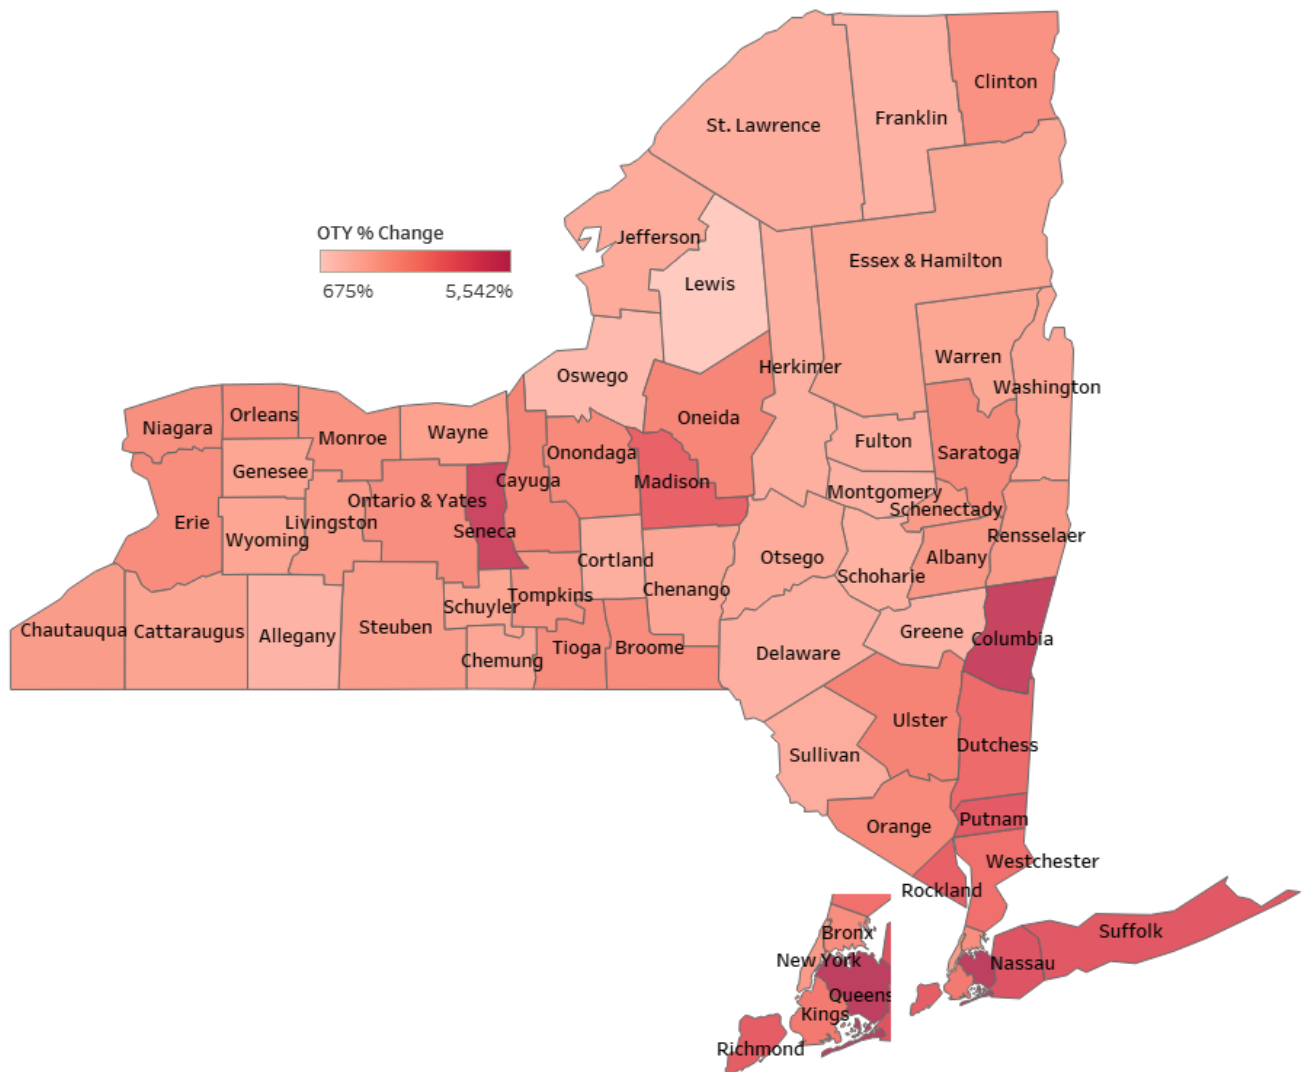

**New Claim** - The first initial claim filed to request a determination of entitlement to and eligibility for compensation.

**Additional Claim** - A subsequent claim filed during an existing benefit year due to new period of unemployment. Someone who files a new claim and collects benefits, finds another job but is laid off again within the same year would be considered an additional claim.
