ARE MY APPLICATION MATERIALS PROTECTED?

Documents submitted to the DOL as part of the EWF application, including those from employers, are not public records and will be used for the sole purpose of EWF benefits administration. Disclosure of such to any other government agencies, including U.S. Immigration Customs Enforcement (ICE), is strictly prohibited by law for any purpose other than processing the application, unless expressly authorized by the individual applicant or legally required to do so pursuant to a lawful court order or judicial warrant.

WHAT CAN I EXPECT AFTER I SUBMIT MY APPLICATION?

DOL will begin processing your application. If additional information or corrections are required, DOL will send you a text message or email (based on your preferred method of communication) with a link advising you to sign-in to your account for details. Once you sign-in, follow the instructions to see which documents need to be corrected or resubmitted and why. You will have 7 calendar days to respond from the date and time of the email or text notification. If a response is not received within the timeframe provided, a determination will be made based on the available information.

Applicants should diligently monitor their accounts, text messages, and emails for any status updates or requests for additional information. Text messages will be sent from **(833) 586-1144** (toll free). Email notifications will be sent from **EWF@labor.ny.gov**. Applicants may also receive a phone call from an EWF representative if additional information is needed. In such cases, we will only be calling you from **(877) 393-4697**.

Once a determination is made, DOL will send you a text message or email letting you know whether your application was approved or denied.

HOW AND WHEN WILL PAYMENTS BE RELEASED?

Approved applicants will receive a one-time payment on a Visa® prepaid card mailed to the address provided in their application. The card has ATM access and can be used everywhere Visa debit cards are accepted in the U.S.

From the date of application, fund administrators estimate that review and processing will take approximately six to eight weeks. If an application is incomplete or requires additional information

or documents, it may take longer to process the application. As EWF is a new program and volumes are difficult to estimate, timeframes are subject to change.

Visa prepaid card is issued by MetaBank®, N.A., Member FDIC, pursuant to a license from Visa U.S.A. Inc. No recurring payments. Card valid for up to 12 months, funds do not expire and may be available after card expiration date, fees may apply. Card terms and conditions apply.

CAN I APPEAL MY DETERMINATION?

Applicants who are denied or disagree with their determination have the right to appeal. You will receive a text message or email when a determination is made. To appeal, sign-in to your account immediately and follow the instructions. Applicants have 72 hours to select the “Appeal” button to initiate an appeal before the determination is final. Once you appeal, a heightened review of your application will take place. You will receive a notification asking you to provide additional information or documents within 7 calendar days from the date of the notification. If a response is not received within the timeframe provided, a determination will be made based on the available information. Once the review process is complete, we will send you a text message or email letting you know whether your appeal was approved or denied. Appeals can take up to three weeks to process. It can take longer if additional information is needed.

HOW LONG WILL THE PROGRAM LAST?

Once the application goes live in early August, applicants are encouraged to apply as soon as possible. Funds for the program are finite and will be distributed on a first come, first served basis. Applications will be processed in the order they are received. Once all the funds from this historic \$2.1 billion are allocated, the fund will be discontinued. Applicants, community groups, and advocates will be notified and the application process will be closed.
