**N. Handling Hazardous Materials (optional)**

Approximate Total Hours 4,040 – 6,300

Apprenticeship work processes are applicable only to training curricula for apprentices in approved programs. Apprenticeship work processes have no impact on classification determinations under Article 8 or 9 of the Labor Law. For guidance regarding classification for purposes of Article 8 or 9 of the Labor Law, please refer to [https://dol.ny.gov/public-work-and-prevailing-wage](https://dol.ny.gov/public-work-and-prevailing-wage).
OPERATING ENGINEER (GRADE & PAVING EQUIPMENT)

APPENDIX B

RELATED INSTRUCTION

Safety and Health
1. Drug & alcohol awareness
2. OSHA rules and regulations
3. OSHA 10-Hour Construction Course – if required for Public Work
4. First aid/CPR (minimum 6.5 hours every 3 years)
5. Sexual Harassment Prevention Training – must comply with section 201-g of the Labor Law

Commercial Driver's License Preparation
1. Testing requirements
2. Inspection stipulations
3. Driving course

Use of Grade Instruments and Plans
1. Transit and hand level
2. Theodolite
3. Leveling rods
4. Measurement instruments
5. Stakes

Soil Compaction

Equipment Skills (technical training and seat time)
1. Forklift and skidsteer loader/driver; forklift certification
2. Backhoe
3. Dragline
4. Forklift and skidsteer loader/dozer
5. Compactor
6. Clam

Mechanical Systems (if applicable)
1. Basic hydraulics
2. Power trains
Maintenance and Adjustments to Equipment (if applicable)

1. Fuels and lubricants
2. Fuels, oils, grease and equipment
3. Grease truck and tools
4. Hydraulic systems

HazMat Training (required if Work Process “N” on Appendix A is selected)

1. 40-hour certification course
2. Safety review, refresher training, and re-certification as required

Interpersonal Workplace Skills

1. Industrial and labor relations
   a. History and background (6 hours, first year)
   b. Current laws and practices (14 hours, second year)
   c. Diversity

Other Related Courses as Necessary

A minimum of 144 hours of Related Instruction are required for each apprentice for each year, with a minimum requirement of three years (432 hours).

Appendix B topics are approved by New York State Education Department.
