Part I – Equal Opportunity Standards

A. Provide a brief description of the nature and extent of the Sponsor’s business, the geographic area or jurisdiction where the business is performed, and the county or counties where the sponsor will recruit.

The mission of the Bureau of Water Supply (BWS) is to reliably deliver a sufficient quantity of high quality drinking water to protect public health and quality of life of the City of New York, a core component of the broader DEP mission to protect public health and the environment by supplying clean drinking water, collecting and treating wastewater, and reducing air, noise, and hazardous materials pollution. BWS employs roughly 1000 people north of NYC to fulfill it's mission. The NYC Watershed is over 2000 square miles, and staff work throughout 9 counties: Westchester, Dutchess, Putnam, Ulster, Sullivan, Orange, Greene, Delaware, and Schoharie counties, to ensure the delivery of over 1.1 billion gallons of high quality drinking water to NYC and surrounding communities.

B. Equal Opportunity Pledge

The sponsor recognizes that all qualified persons shall have equal opportunity in apprenticeship training, agrees that the commitments contained in the Affirmative Action Plan shall not be used for discriminatory purposes, and agrees to adhere to the following Equal Opportunity Pledge:

The recruitment, selection, employment, and training of apprentices during their apprenticeship, shall be without discrimination because of race, creed, color, religion, national origin, age, sex, disability, veteran status, marital status or arrest record. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, Part 30, and Title 12 of the Official Compilation of Codes, Rules and Regulations of the State of New York, Part 600, and the Americans with Disabilities Act of 1990.

C. Affirmative Action Policy Statement*

Attach a statement of the sponsor’s affirmative action policy. This statement must be the official policy available for public and internal distribution, be on sponsor letterhead and signed and dated by the Chief Executive Officer or the Chair of the Joint Apprenticeship Committee.

If responsibility for plan implementation has been delegated to other than the individual signing the Affirmative Action Policy Statement, that individual must be named in the Policy Statement.

Part IV – Action Plans and Requirements

A. Outreach and Positive Recruitment Plan

Detail all the specific activities the sponsor will undertake to expand the opportunities for minority and female participation in the apprenticeship program. (Attach additional sheets if necessary.) The extent of outreach and recruitment activities may vary with the size and type of program and its resources. Refer to Equal Employment Opportunity in Apprenticeship Training Regulations Section 600.5 (c) for examples of outreach and positive recruitment.

Outreach and Recruitment Activities:

Goal 1: Raise awareness about DEP careers
Action: DEP will host an annual Water Workforce for the Future Summit, inviting local government officials from Greene, Sullivan, Ulster, Westchester, Dutchess, Orange & Putnam Counties, local community colleges, and universities in the area, including but not limited to Bard College, SUNY ESF, SUNY New Paltz, and SUNY Delhi, agency partners within DEPand the Water Sector, and various community groups to learn about our organization, and the Apprenticeship program.

Goal 2: Create a network for candidate referrals
Action: Outreach and build relationships with local school districts, career & tech educational providers, community colleges, direct entry providers, local community groups, workforce investment boards, local DOL. To date, we have already begun outreach and have connected with two schools. Kingston High-School is developing a course curriculum that will include some projects to raise awareness to DEP’s STEM careers, and will incorporate some of the skills needed to be successful in the Apprenticeship program.

Goal 3: Visibility
Action: Participate in career fairs for local schools, colleges, and DOL. We have participated in local job fairs in the past, most recently at SUNY Ulster last fall. We will continue to participate in job fairs, as they occur.
Action: Increase presence at local community events as they occur.
Action: Increase Social Media Visibility

Selection of apprentices will be made under one of the following four methods. (Check One):

☐ 1. Selection on basis of rank from a candidate list (only available for area-wide public recruitments). Composed of those eligible applicants who meet the minimum qualifications and complete the selection process.
   a. When this method is used, (1) the qualifications of each eligible applicant will be evaluated and scored on each of the selection standards used; (2) the scores will be added to obtain a total score for each applicant; (3) each applicant who completes the evaluation process will be placed on a list of candidates for apprenticeship in order of rank based on the total score. Seniority of employment and/or seniority of union membership may be one of the selection standards.
   b. The list of candidates will remain valid for a minimum period of two years, or until the list is exhausted.
   c. At least 10 days prior to the time when each eligible applicant is first required to demonstrate his/her qualifications, each eligible applicant will be notified in writing of the qualifications on which he/she will be evaluated, the time and place for submitting evidence of qualifications, and the time and place for testing and/or interview.

* A sponsor using this method of recruitment should contact their Apprenticeship Training Technical Assistance Program Representative to receive technical assistance.

C. Methods for Selection of Apprentices (continued)

☐ 2. Selection on basis of rank from a candidate list (available for non area-wide public
recruitments). Composed of those eligible applicants who meet the minimum
qualifications and complete the selection process.

predetermined minimum qualifications and selection standards. These qualifications and standards
are to be included in all notices regarding apprentice openings.
b. The list of candidates will remain valid for a minimum period of two months or until the list is
exhausted, unless otherwise specified by the collective bargaining agreement.*

☐ 3. Selection on a random basis. From a candidate list composed of applicants who meet the
minimum qualifications and complete the selection process.

a. The method of random selection shall be subject to approval by the Commissioner of Labor.
b. Supervision of the random selection process shall be by an impartial person or persons, selected by
the sponsor, not associated with the administration of the apprenticeship program.
c. The expected time and place of the selection shall be indicated in the recruitment notice.
d. The place of the selection shall be open for all applicants and the public.
e. The names of candidates drawn by this method shall be placed on a list of candidates for
apprenticeship in the order drawn.
f. The list of candidates will remain valid for a minimum period of two (2) years, or until it is exhausted.

☐ 4. Alternative selection methods.**

If apprentices are to be selected by other methods than in C 1, 2 or 3 above, a detailed
statement of the selection method to be used must be attached and submitted to the
Commissioner of Labor for review and approval prior to being used.

D. Minimum Selection Standards and Evaluation.

It is agreed that the minimum qualifications and selection standards utilized will be those listed on Form AT 505,
