

**Workforce Development System
Technical Advisory # 22-02
February 18, 2022**

To: Workforce Development Community
SUBJECT: Required Posters for Display in New York State One-Stop Career Centers

PURPOSE:

To notify Local Workforce Development Boards (LWDBs), One-Stop Career Center Operators, Managers and other local workforce partners of posters required to be displayed at each New York State One-Stop Career Center.

POLICY

New York State One-Stop Career Centers must display all State and Federally mandated posters. These posters must be kept current, legible, and be displayed in conspicuous locations for the intended recipients.

ACTION

The Workforce Innovation and Opportunity Act (WIOA) requires that posters or notices informing the public about their rights, be displayed at all New York State One-Stop Career Centers. Please note that posting requirements vary by program or activity; that is, not all posters are covered under this notice.

There are two types of posters that must be displayed:

1. Posters that are required to be visible to all Career Center customers.
2. Posters that are required to be visible to employees/staff only.

Posters are to be replaced with new ones if they are revised/updated and/or become worn, tattered or soiled. Each One-Stop Career Center must allocate sufficient space in a designated area to display required posters. For example, a bulletin board that provides accommodation for all required posters and facilitates access to all customers.

New York State Career Center Directors, Operators and Managers shall verify that all required posters are appropriately displayed at each location under jurisdiction.

Posters can be downloaded and printed directly from the Programs and Tools [webpage](#).
