2023 PRESS RELEASE SCHEDULE

The New York State Department of Labor publishes jobs and labor force data in two separate press releases each month.

The first release each month includes:

- Jobs data by industry for New York State, metro areas, and counties outside of metro areas
- Labor force data (including unemployment rates) for New York State, New York City, and the Balance of State (NYS outside of NYC) region

The second release each month includes:

- Labor force data (including unemployment rates) for regions, metro areas, all counties, and municipalities of at least 25,000 people

The first release each month falls on a Thursday, and the second release falls on the following Tuesday. The two exceptions are the second release in June 2023, which falls on a Wednesday (June 21, 2023), due to the Juneteenth holiday and the second release in December 2023, which falls on a Wednesday (December 27, 2023), due to the Christmas holiday.
