2024 PRESS RELEASE SCHEDULE

The New York State Department of Labor publishes jobs and labor force data in two separate press releases each month.

The first release each month includes:

- Jobs data by industry for New York State, metro areas, and counties outside of metro areas.
- Labor force data (including unemployment rates) for New York State, New York City, and the Balance of State (NYS outside of NYC) region.

The second release each month includes:

- Labor force data (including unemployment rates) for regions, metro areas, all counties, and municipalities of at least 25,000 people.

The first release each month falls on a Thursday, and the second release falls on the following Tuesday. The one exception is the second release in December 2024, which falls on a Monday (December 23, 2024), due to the Christmas holiday.
