WIOA Primary Indicators Performance Report

Contents: July 2023 to March 2024

*Satisfactory Performance is considered achieving 80% of the local goal for a measure.

*Designation of goals as "Baseline" for certain Primary Indicators of Performance means baseline data is being collected to determine negotiated levels of performance in future program years. Designation as baseline is based on the likelihood of having adequate data with which to make a reasonable determination of an expected level of performance.
