

Workplace Safety and Loss Prevention Incentive Program

EMPLOYERS, do the following apply to you?

- Committed to promoting the safety and well-being of your employees
- Interested in saving up to 10% on your Workers' Compensation Insurance policy in the first year of participation, and up to 6% in the second and third years
- Have Workers' Compensation insurance premiums of at least \$5,000
- Have an Experience Modification Rating under 1.30

If so, then the Workplace Safety and Loss Prevention Incentive Program may be a great opportunity for you.

What you have to do:

- Implement a Safety Program, Return to Work Program, and/or Drug and Alcohol Prevention Program
- Complete the required application(s) and reviews
